- Parents will be informed in advance of lessons on the sensitive areas of the RSE programme.
- If children are withdrawn from the lessons pertaining to the sensitive elements of the RSE programme, they must give a notice in writing to the school that they are withdrawing their child. Parents are thus responsible for the teaching of those elements of the RSE programme and must take full responsibility for their child if they are withdrawn from their class.
- Parents have a responsibility to become involved, to inform themselves of the programme content and to prepare children for the information they will acquire around the sensitive areas and discuss areas covered in RSE/SPHE. Parents are invited/welcome to view the curriculum and may speak to the class teacher if they have any concerns.
- In the class situation children will be encouraged to recognise that certain information is for them only and it would be inappropriate to discuss this with younger siblings/children for example.
- With regard to matters of a confidential nature, the school cannot take any responsibility for what is discussed in the yard or classroom.
- If a Teacher has concerns about teaching the sensitive elements in RSE they should consult with the Principal. Any teacher has the right to opt out of teaching the sensitive elements of RSE. It is the responsibility of the B.O.M. to ensure content is covered by another teacher or an outside speaker.
- Special consideration will be taken to ensure that the needs of children with SEN are met. Taking into account the pupil's social and emotional development, instruction will be based on individual needs where possible. Parents will be consulted around sensitive issues.

Dealing with Questions:

It is natural that children should wish to ask questions in the area of RSE. All questions answered will reflect the parameters of the curriculum. Certain topics are not in the primary RSE/SPHE programme and will not be discussed i.e.: abortion, masturbation, homosexuality, contraception. Questions to the teacher may be oral or written within the group setting and answered within boundaries of the curriculum and school policy. If any questions asked by children are deemed to be inappropriate, the teacher will refer the child to their parents/guardians, or state that this information may be

- Determination of whether the question is appropriate or relevant/who it is relevant to
- Provision of an age appropriate answer
- Deferral of the question to be answered at home or in the future
- Parental Involvement
